### Financial information

Who will pay your fees? (e.g. self-funding, parents, sponsor, etc)

### Previous Education

Please list **all** of your previous studies, both in the UK and internationally.

Course of study (qualification you received)	Place & Country of study (school/university/institution)	Start date (month and year)	End date (month and year)
e.g. Business Studies A Level	Manchester College, England	Sept 2014	June 2018

### Disability / learning difference information

Find Education welcomes students with disabilities and encourages you to disclose any disability or medical condition which may impact your studies. Declaring a disability will not affect the academic decision about your application but will help us put any individual arrangements or facilities in place for the start of your International Foundation Programme.

No known disability

Autism / Asperger syndrome

Other (please explain below):

Blindness / Partial sight

Deafness / Hearing Impairment

Wheelchair use or mobility issues

Specific learning difficulty (eg. dyslexia)

Mental health issues

Unseen disability (eg. diabetes, epilepsy, asthma)

## Additional Documents Checklist

I have attached the following documents to my application:

- High school / secondary school documents
- Proof of your current level of English (IELTS or similar)
- Copy of your passport (including visa page if applicable)

## Personal Statement

Find Education requires a personal statement as part of your application process (approximately 500 words) which should include answers to the following questions:

- Why have you chosen to study on the International Foundation Programme?
- Why have you chosen Find Education?
- Which subject(s) would you like to study as a degree course?
- What makes you suitable to be successful at this subject?
- What are your future plans and ambitions after university?
- What other information can you tell us about yourself to support your application?

## Data protection

By ticking this box you consent to Find Education collecting and securely storing your personal data for the purposes of processing your International Foundation Programme application and supporting you during your course. We may contact you to inform you about news and social events that are relevant to you.

## Disclaimer

All information I have given is complete and correct at the time of signing this document. If accepted I undertake to abide by the course regulations currently laid down by Find Education. I have read and agree with the Terms & Conditions.
